A : Hey, did you know that *Red Dog 2* is coming to the cinema? Did you see *Red Dog 1*, the first film?

B : No, I didn't. What's a "red dog"?

A: Well, it's a dog with red-coloured fur. It's a type of Kelpie.

B: What's a Kelpie?

A: Ah, a kelpie ...it's an Aussie dog

B: Really? What size is it? Is it big or small?

A: It's a medium sized dog really.

B: What does it look like?

A: It has reddish, short hair, pointy ears and a pointy snout. It's very active.

B: Could I keep one at home?

A: Mmm...it needs a lot of space.

B: We live next to a park so that's perfect.

A: Are you sure? They like a walk at least twice a day...

B: Yeah! I'm gonna get one!
